

CHRIST CHURCH CE VA PRIMARY SCHOOL  
BAKER STREET, WESTON-SUPER-MARE

29 March 2012

Dear Parents

As you know we welcome the children bringing fruit into school for their snack or in their lunch boxes.

Could I please ask though that **grapes are cut in half** rather than sent in whole. This has been brought to our attention following staff training on the dangers of choking.

Your co-operation in this matter would be much appreciated.

Yours faithfully

C Wilson  
Headteacher
