

Project Plan

YEAR GROUP: 2
TERM: SUMMER
ESSENTIAL QUESTION:
 Is there a hero inside you?
REAL IMPACT
 Children will become local heroes by developing a safety leaflet to save visitors to Weston sea front from the dangers of the beach environment.

MINI OUTCOME
 Rehearsing presentations and peer evaluation.

MINI OUTCOME
 Practical use of mathematical skills involving money and timetables.

MAIN OUTCOME
 Create and distribute a beach safety leaflet to locals and visitors on Weston sea front.

MINI OUTCOME
 Research involving outside agency and visitors.

CLASSROOM DESIGN
 Newsroom editing suite.

VISITS /VISITORS
 Coast Guard, RNLI, Police, local council, Fire Brigade, local business, newspaper and national television.

EXPERTS
 Coast Guard, RNLI, Police, local council, Fire Brigade, local business, newspaper and national television.

REAL AUDIENCE
 General public, RNLI and local council.

OTHER
 Music Festival and Sports Day

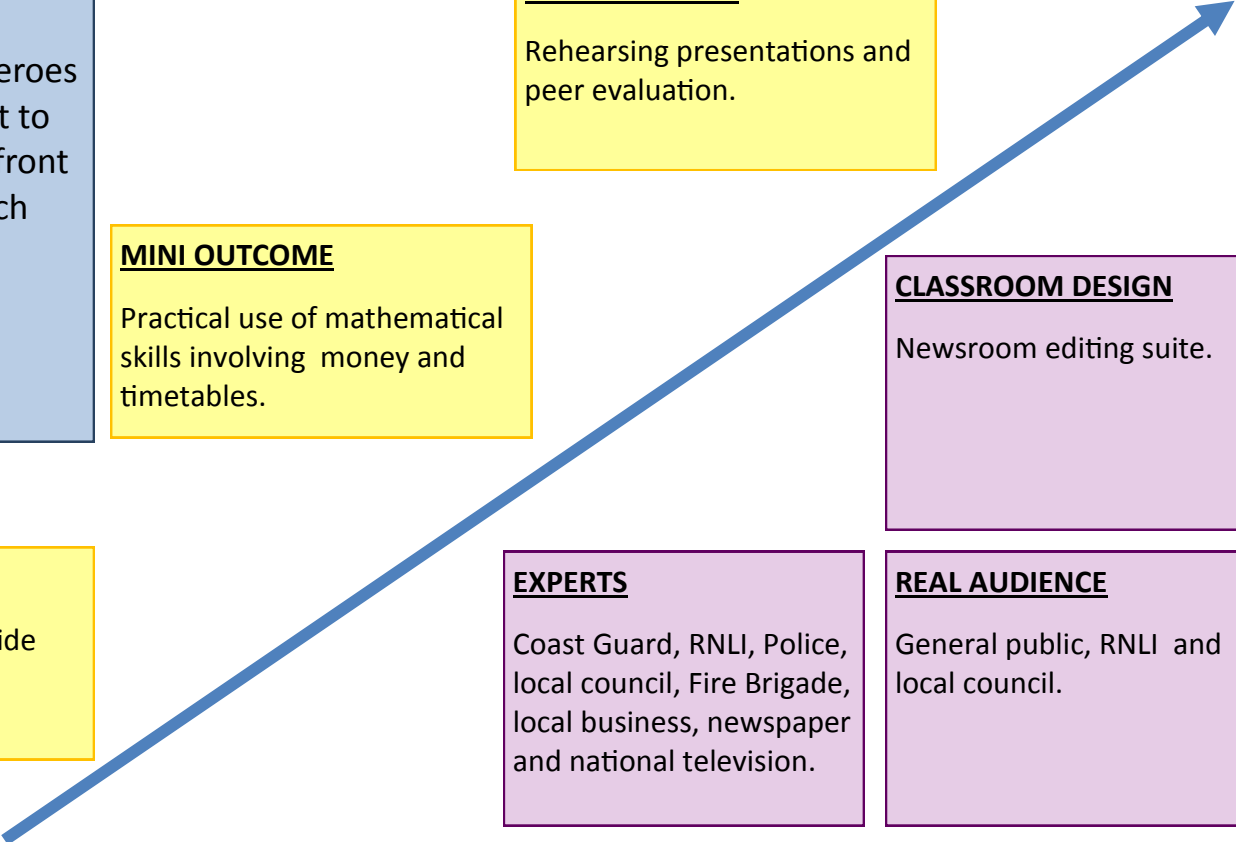

PROJECT LAUNCH
 Write letters to Council to explain project and ask for permission.

LINKED TEXT(S)
 Super Sid and Power of Reading Books Traction Man, and Claude in the City.

COMPUTING
 Research, layout and presentation skills.

OTHER
 Geography including grid references and map skills.

OTHER
 Human and plant health, development and basic needs.

Purple blocks show essential skills / elements.

TOPIC WEB

YEAR GROUP: 2

TERM: SUMMER

ESSENTIAL QUESTION:

Is there a hero inside you?

REAL IMPACT

Children will become local heroes by developing a safety leaflet to save visitors

PROJECT LAUNCH

Write letters to Council to explain project and ask for permission.

Literacy

We will be looking at a variety of super hero stories and some poetry. We will also write leaflets, letters and non chronological reports. We will be working hard to improve our handwriting and learning our phonics in order to improve our spelling. **To help your child at home, continue to read and practise spellings from the word mat as much as possible.**

R.E.

We will explore the questions:

- How Faith can help us be a better person?
- How can we support others?
- How sharing views can help us all?

MAIN OUTCOME

Create and distribute a beach safety leaflet to locals and visitors on Weston sea front.

Music

We will play instrumental parts in songs and compose and perform our own songs. We will sing songs that tell a story, culminating in a singing festival at Corpus Christi School.

Computing

We will be improving our keyboard skills to support our research and development of our seaside safety leaflets. **You can help your child at home by practising researching on the internet and using a qwerty keyboard.**

Numeracy

We will be learning about time, capacity and money and how to add amounts quickly and work out change. We will be working hard at maths challenges and investigations, plus measuring skills. **You can help at home by encouraging your child to recognise all coins; making amounts and giving change; counting in 2s, 3s, 5s and 10s.**

Science

We will investigate the conditions plants need to grow and stay healthy and observe and describe how seeds and bulbs grow into mature plants. We will look at the life cycles of different animals and how offspring grow into adults. We will look at the importance for humans of exercise, diet and hygiene.

Geography

We will be developing our mapping skills, grid reference and natural features. **To help your child at home encourage them to know their left and right, half and quarter turns plus co-ordinates.**

History

We will be looking at and investigating the history of the RNLI.

Art

We will be investigating illustration art based on comic book influences. We will be examining famous artists and using a variety of styles to recreate our own pictures.

PE

We will balance using different body parts and use a variety of apparatus during gymnastics. We will play a variety of striking and fielding and invasion games. We will learn how to bowl and field as part of a team.

PSHE/C

We are learning all about relationships and how to identify some of the things that may cause conflict with friends. We will also look at how we change as we grow from young to old.

DT

We will design a project stall to advertise our seaside safety leaflets.
